

**Commonwealth of Virginia
Database Index Reporting Form**

1. Public Body Name & Numeric Code: Department of Environmental Quality; 440

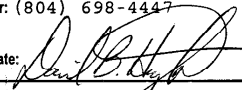

4. Point of Contact: William Hayden

2. Database Title: DEQ Northern Virginia Mobile Source Inspection and Maintenance System

5. Phone Number: (804) 698-4447

3. Database Acronym: I&M System

6. Signature & Date:

 7/1/98

7. Database Description and Contents: (Provide a brief narrative summary of the purpose for which the database is maintained in support of the business of State Government and a description of the general contents of the database. Indicate known restrictions to public access.)

The database contains information on vehicles registered in several counties and cities in northern Virginia, and the results of emissions inspections on those vehicles. Information is maintained on inspection facilities, repair facilities, vehicle inspectors, vehicle emissions repair technicians, vehicle identification information, vehicle equipment information (as it relates to the type of inspections performed), and the results of the inspections performed. Information is exchanged among the inspection station, DEQ and DMV.

Restricted information includes personal identification information on inspectors, technicians, station operators, and personal information on vehicle owners.

Note: Specific Information relating to data fields, record/table layouts, and known restrictions to public access is maintained by the public body. Please contact the point of contact in item 4 for further details.

8. Date of Last Update: Data are updated daily

9. Frequency of Update: Daily

10. Formats Available and Schedule of Fees:

a. Format

Oracle Database Table(s)

Oracle Export File (ASCII Text)

b. Costs

All Costs To Be Determined, based upon the nature of the information requested.

Send completed form to the Library of Virginia. 800 East Broad St, Richmond, VA 23219-1905 (Attn: Mary Clark)
